The Inorganic Collection takes place on your normal collection day twice a year:
- 4-8 May 2015  •  3-7 August 2015
- 2-6 May 2016  •  1-5 August 2016

Note for Tora, Te Awaiti and White Rock coastal residents:
If your regular collection day falls after one of the above dates, your inorganic collection day will be aligned with your regular collection day. Items MUST be out on the kerbside by 07:30AM. One item per property able to be lifted by one person. Typical items may include unwanted furniture and small home appliances.

**Coastal Holiday Makers**

You can place your recycling in translucent shopping bags, to save you putting your recycling bins away. Please ensure you pack one type of recycling per bag.

- Paper and Card
- Glass bottles and Jars
- Tins and Cans
- Plastic containers

**Other ways to reduce landfill and increase recycling**

- 10-13% of our Household Rubbish is still recyclable paper.
- 6-8% of our Household Rubbish is still recyclable containers.
- 2-4% of our Household Rubbish is still textiles.

Please try and ensure that you put ALL these items into your Recycling Bins.

**Compost your Greenwaste**

- Compost yourself at home or pay for a regular Greenwaste collection.
  - Contact Wairarapa Environmental: Ph 06 378 8294 if you want a regular green waste collection.
  - Earthcare Environmental composes all green waste collected.

**Domestic Collections**

- All recyclables must be placed in the bins provided.
- Place Paper in a plastic shopping bag to prevent wind blown litter. It is your responsibility to ensure your recycling does not blow away before it is collected.
- If necessary place a brick on TOP of recycling.

Place your recycling bins at the edge by 7.30am.

Your recycling will be collected on the same day as your rubbish.

Note: Te Awaiti / Tora / White Rock Refuse/Recycling collection reverts to fortnightly May to September inclusive.

Kerbside recycling
Kerbside recycling collection is not a complete refuse management system. It will cater for the vast majority of recyclables a household will create in a week.
However it will NOT cope with:
- Plastic Bags on the kerbside collection
  - they can be delivered to transfer station
- Your cardboard boxes after you have changed flat or
  moved house
- Volumes of bottles & cans after a party
- Commercial volumes - a retailer can put out the milk
  and drink bottles from their tearoom, but a restaurant
  cannot put out their wine bottles; equally a bookshop
  cannot put out large volumes of cardboard.
Please take large quantities to the recycling centre,
or arrange for a pickup via a private contractor.
